Part 4: Brand Family Certification (Attach addendum pages to PM-1 Certification Form.)

As of the date of this certification, the manufacturer identified in Part 2 is a Participating Manufacturer (PM) and has generally performed its financial obligations under the Master Settlement Agreement (MSA). The PM certifies that the brand families listed in this certification are a complete list of the brand families which are deemed to be its cigarettes (including RYO product) for purposes of calculating payments under the MSA in the volume and shares determined pursuant to the MSA. Nothing in this certification shall limit or otherwise affect the State's right to maintain that a Brand Family constitutes cigarettes or RYO tobacco of a different tobacco product manufacturer for purposes of calculating payment under the MSA. **Asterisk (*) denotes brands for purposes of calculating payments under the MSA which are NOT certified in Illinois.**
