- Hotline (877-299-3642)

4

Presumption of Openness

“*All records* in the custody or possession of a public body are *presumed to be open* to inspection or copying. Any public body that asserts that a record is exempt from disclosure has the burden of proving by *clear and convincing evidence* that it is exempt.”

5 ILCS 140/1.2

5

What is Clear and Convincing?

Generally, under FOIA, "clear and convincing" evidence requires the public body to "provide a *detailed* justification for its claim of exemption, addressing the requested documents specifically and in a manner allowing for adequate adversary testing." (Emphasis in original.)

Illinois Educ. Ass'n v. Illinois State Bd. of Educ., 204 Ill. 2d 456, 464 (2003)

6

Exemptions to Disclosure

Exemptions allow public bodies to maintain certain types of sensitive public records or information confidentially. FOIA provides a number of exceptions to the requirement that public records are available for public inspection.

- FOIA Exemptions are listed in **section 7 and section 7.5** (5 ILCS 140/7 and 5 ILCS 140/7.5)

7

Exemptions to Disclosure

Section 7(1)(b),
Section 7(1)(c),
and Section 7(1)(d)(iv)
of FOIA

8

Section 7(1)(b) – Private Information

- Allows withholding of *private information*, unless required by another provision of FOIA, a State or federal law or a court order.
- Private information is defined in section 2(c-5) of FOIA.

9

Section 7(1)(b) – Private Information

Unique identifiers, including:

10

Other **unique identifiers**:

- Zip codes (when coupled with identifying info like name)

11

Section 7(1)(b) Not Properly Asserted

- **Business** telephone numbers, e-mail addresses, street addresses
- Commercial license plates
- Badge numbers
- Firearm serial numbers
- VINs

12

Section 7(1)(c) – Personal Privacy

Exempts “[p]ersonal information contained within public records, the disclosure of which would constitute a *clearly unwarranted invasion of personal privacy*, unless the disclosure is consented to in writing by the individual subjects of the information.”

13

Section 7(1)(c) – Personal Privacy

“Unwarranted invasion of personal privacy means the disclosure of information that is–

- Highly personal or objectionable to a reasonable person, and in which the
- Subject's right to privacy outweighs any legitimate public interest in obtaining the information.”

→ Balancing test, usually requiring case-by-case consideration.

14

Section 7(1)(c) – Personal Privacy, con't

“The disclosure of information that *bears on the public duties of public employees and officials* **shall not** be considered an invasion of personal privacy.”

15

Section 7(1)(c) – Personal Privacy

Exempt personal information:

- Names of surviving victims
- Names of uninvolved third parties mentioned in report
- Names of suspects/subjects not arrested
- Dates of birth
- Race
- Specific medical information (i.e. descriptions of specific injuries, illnesses, and treatments)

16

Section 7(1)(c) Not Exempt

- Death certificate
- Information relating to a decedent, e.g., police report describing death (non-graphic)
- Name of hospital/medical facility/“EMS transport”
- Names of police officers in lineups

17

Section 7(1)(d)(iv) – Witnesses and CIs

- Allows a public body to withhold records that would unavoidably reveal the identity of a complainant or witness
 - Names, identifiers, other descriptors (employer/job title)
- Also identities of confidential informants and “confidential information furnished only by the confidential source”

18

Section 7(1)(d)(iv) – Statements?

- A statement made by regular witness can be redacted/withheld under 7(1)(d)(iv) **only if** disclosure of contents would identify and **redaction cannot be meaningfully accomplished** (see [Binding Op. 19-008](#))
- For example: When requester knows the name of the witness (provided in FOIA, requester present at incident), providing the witness' statement with witness' name redacted does not protect identity.

[Ill. Att'y Gen. PAC Req. Rev. Ltr. 68694, issued January 5, 2022](#)

19

Section 7(1)(d)(iv) – Traffic Accidents

Special Rule!

- “[E]xcept that the identities of witnesses to traffic accidents, traffic accident reports, or rescue reports **shall be provided**[.]”

“Identities of witnesses” means names – department **can redact** witness home and personal telephone numbers and home addresses (under 7(1)(b)).

[Binding Op. 24-012, issued 10/02/24](#)

20

Exemptions to Disclosure

Juvenile Court Act (JCA)

21

Section 7.5(bb) – Records Confidential under Juvenile Court Act (JCA)

Juvenile Law Enforcement Records that relate to a minor (under 18 y.o.) who has been:

- ✓ Arrested
- ✓ Investigated, or
- ✓ Taken into custody

Can be withheld in their entirety, depending on who is requesting the records.

705 ILCS 405/1-7(A)

22

Definition of Juvenile Law Enforcement Record

Includes:

- “records of arrest, station adjustments, fingerprints, probation adjustments, the issuance of a notice to appear, **or any other records or documents** maintained by any law enforcement agency...
- relating to a **minor suspected of committing an offense**, and records maintained by a law enforcement agency **that identifies a juvenile as a suspect** in committing an offense, ...

705 ILCS 405/1-3(8.2)

23

Section 7.5(bb) – Juvenile Court Act

“...but does **not** include records identifying a juvenile as a **victim, witness, or missing juvenile** and any records created, maintained, or used for purposes of referral to programs relating to diversion as defined in subsection (6) of Section 5-105.”

705 ILCS 405/1-3(8.2)

24

Scenarios under JCA – Juvenile Arrested

- FOIA to Sheriff's Office requested all records related to a specific case number. Request denied, citing JCA. Requester appealed.
- Records related to a vehicle accident.
- A juvenile was arrested in connection with the accident.
- PAC held request was **properly denied**.

Ill. Att'y Gen. PAC Req. Rev. Ltr. 52318, issued 3/30/18

25

Scenarios under JCA – Juveniles Involved

- Law firm submitted FOIA to police department for accident report. Request denied, citing JCA. Requester appealed.
- Department argued that JCA applied because the crash involved six minors who were witnesses to the crash and listed as victims in the report.
- PAC held request was **improperly denied**; involved driver was adult, and no minors were arrested or investigated in connection with the incident.

Binding Op. 18-016, issued 11/14/18

26

Scenarios under JCA – Juvenile Ticketed

- FOIA to police department requested all records related to a vehicle accident. Request denied, citing JCA. Requester appealed.
- Juvenile driver was issued citation but not arrested.
- No indication in records that the juvenile was investigated.
- Because ticket adjudicated in open court and tickets are not “municipal ordinance violations,” PAC held JCA does not apply to record, and request was **improperly denied**.

Ill. Att’y Gen. PAC Req. Rev. Ltr. 58028, issued 8/20/19

27

Juvenile & Adult Arrestees

- FOIA requested all records related to an incident in which both a juvenile and an adult were arrested. The juvenile was not charged as an adult.
- Department released arrest information sheet and mugshot of adult, but withheld arrest records for juvenile and incident report, citing JCA. Requester appealed to PAC.
- Incident report is a “juvenile law enforcement record” because it documents arrest of juvenile, and JCA requires withholding regardless of whether it also describes conduct of an adult arrestee. AG held report was **properly withheld**.

Ill. Att’y Gen. Pub. Acc. Op. 23-010, issued 7/12/23

28

Section 7.5(bb) – Some Disclosure Permitted

Some people/agencies may obtain JCA records

- See **JCA section 1-7(A)(0.05)-(13)** for the list
- List includes “[t]he minor who is the **subject** of the juvenile law enforcement record, his or her parents, guardian, and counsel.”

705 ILCS 405/1-7(A)(0.05)

- **Subject** = minor investigated or arrested
- Parent of a juvenile who is identified in report as **victim** is **not** entitled to a juvenile law enforcement record that identifies some other juvenile as arrestee/suspect

29

Section 7.5(bb) – Parent Request

- FOIA to police department for specified report. Request denied in entirety, citing JCA. Requester appealed, asserting he was parent of one of the involved juveniles.
- Department argued that although requester’s child was involved, so were two other juveniles.
- Because JCA specifically permits parents of minors who are the subjects of records to access those records, parent entitled to the portion of report concerning own child.
- May redact identifying information about other minors.

III. Att’y Gen. PAC Req. Rev. Ltr. 66759, issued 8/24/21

30

Minor Victims – Other FOIA Exemptions

- FOIA to police department requested records documenting allegations of sexual abuse of a minor. Request denied, citing JCA. Requester appealed.
- Records involved an adult suspect.
- PAC held request ***improperly denied under JCA.***
- However, because of nature of allegations and age of alleged victim, identity of minor victim could be withheld under ***section 7(1)(c)*** or ***Privacy of Child Victims of Criminal Sexual Offenses Act (725 ILCS 190/3).***

Binding Op. 21-002, issued February 17, 2021

31

Minor as victim and suspect

- Existence of separate records investigating the minor does not extend JCA protection to records in which same minor is victim.
- FOIA's exemption for records covered by the JCA does not apply "to a request for records related to the investigation of police officers who fatally shot a minor."

NBC Subsidiary (WMAQ-TV) v. Chicago Police Dep't, 2019 IL App (1st) 181426

32

Exemptions to Disclosure

Pre-trial matters and
Open Investigations

33

Section 7(1)(d)(i) – Interfere with Law Enforcement Proceedings

- Section 7(1)(d)(i) of FOIA allows a public body to withhold records if “**disclosure would interfere** with pending or actually and reasonably contemplated law enforcement proceedings” conducted by the law enforcement or correctional agency that received the FOIA request.

34

Section 7(1)(d)(vii) – Obstruction of Ongoing Criminal Investigation

- Section 7(1)(d)(vii) allows a public body to withhold records if “**disclosure would obstruct** an ongoing criminal investigation by the agency that is the recipient of the request.”

35

Sections 7(1)(d)(1) and 7(1)(d)(vii)

- Fact that arrest has been made, or that an investigation has commenced or remains open on department’s end, **is not by itself sufficient to meet burden** of demonstrating that the request can be denied in whole.
- Agency may not “use the term ‘ongoing criminal investigation’ . . . as some sort of magic talisman.”

Day v. City of Chicago, 388 Ill. App. 3d 70 (2009); Ill. Att’y Gen. Pub. Acc. Op. 24-006 (issued Apr. 1, 2024)

36

Sections 7(1)(d)(i) and 7(1)(d)(vii): How Can Agency Satisfy the Burden?

Ballew v. Chgo. Police Dep't., 2022 IL App. (1st) 210715: CPD disclosed redacted original case report and withheld remainder; court found CPD met burden with affidavit

- Affidavit stated that investigation was ongoing and offender remained at large, and that
- Releasing remaining records could impact investigators' determination of the veracity of potential witnesses

Compare Binding Op. 24-006, issued April 1, 2024

37

Section 7(1)(d)(iii) – Deprivation of Fair Trial or Impartial Hearing

- Allows a public body to withhold records if disclosure *would create a substantial likelihood* that a person will be deprived of a fair trial or impartial hearing.
- Only applies if trial/hearing *pending or truly imminent*. (See Binding Opinions 19-008, 20-005)
- Must show *how* and *why* disclosure of the information would jeopardize fair trial

38

Exemptions to Disclosure

Complaints Against Public Employees and Internal Investigations

39

Complaints Against Employees and Investigations of those Complaints

Complaints against public employees (from community members or internal) and the investigations of those complaints generally need to be disclosed when requested.

- Courts have determined that the exemptions asserted to withhold these records from disclosure do not apply.

40

Complaints Against Employees

Founded and Unfounded Complaints against public employees generally need to be disclosed when requested.

- Section 7(1)(c) of FOIA states that “the disclosure of information that bears on the public duties of public employees and officials shall not be considered an invasion of privacy.”
- Complaint, even one determined to be unfounded, bears on public duties of public employee or official.

Gekas v. Williamson, 393 Ill. App. 3d 573 (2009)

41

Investigations and Adjudications of Employee Discipline

Allows a public body to withhold “records relating to a public body's **adjudication** of employee grievances or disciplinary cases; however, this exemption shall not extend to the final outcome of cases in which discipline is imposed.”

- **Section 7(1)(n) of FOIA** may apply to certain **specific records** related to adjudication
- “Adjudication” is a “formalized legal process that results in a final and enforceable decision.”

42

Section 7(1)(n) of FOIA

Investigative records (summary reports, interview summaries) that do not relate to an actual adjudication are **not exempt**.

- *Kalven v. City of Chicago*, 2014 IL App. (1st) 121846 (2014): CPD “Complaint Register” – recorded complaints against officers and records reflecting investigations of complaints – **not exempt** under 7(1)(n).
- *Peoria Journal Star v. City of Peoria*, 2016 IL App (3d) 140838 (2016): Report of investigation of grievance created before adjudication – **not exempt** under 7(1)(n).

43

Complaints Against Employees and Records of Investigations

Although complaints and investigation records cannot be withheld in their entireties, redactions can be made:

- unique identifiers (section 7(1)(b))
- witness and third party names (sections 7(1)(c) and 7(1)(d)(iv))
- Internal emails containing opinions and recommendations – NOT the final decision (section 7(1)(f))

44

Automated License Plate Reader (ALPR): Section 7(1)(d-7)

- New in 2024!

- (a) “Automated license plate reader” or “ALPR” means an electronic device that is mounted on a law enforcement vehicle or positioned in a stationary location and that is capable of recording data on or taking a photograph of a vehicle or its license plate and comparing the collected data and photographs to existing law enforcement databases for investigative purposes. “ALPR” includes a device that is owned or operated by a person or an entity other than a law enforcement agency to the extent that data collected by the reader is shared with a law enforcement agency.
