## ANALYSIS

"It is a fundamental obligation of government to operate openly and provide public records as expediently and efficiently as possible in compliance with [FOIA]." 5 ILCS 140/1 (West 2022). Under section 1.2 of FOIA (5 ILCS 140/1.2 (West 2022)), "[a]ll records in the custody or possession of a public body are presumed to be open to inspection or copying." Section 3(a) of FOIA (5 ILCS 140/3(a) (West 2022)) provides that "[e]ach public body shall make available to any person for inspection or copying all public records, except as otherwise provided in Sections 7 and 8.5 of this Act." Section 3(d) of FOIA further provides:

Each public body shall, promptly, either comply with or deny a request for public records within 5 business days after its receipt of the request, unless the time for response is properly extended under subsection (e) of this Section. Denial shall be in writing as provided in Section 9 of this Act. Failure to comply with a written request, extend the time for response, or deny a request within 5 business days after its receipt shall be considered a denial of the request. A public body that fails to respond to a request within the requisite periods in this Section but thereafter provides the requester with copies of the requested public records may not impose a fee for such copies. A public body that fails to respond to a request received may not treat the request as unduly burdensome under subsection (g).

Section 3(e) of FOIA (5 ILCS 140/3(e) (West 2022)) permits a public body to extend its response time by no more than five business days for any of seven enumerated reasons. Any additional extension requires a written agreement between the requester and the public body. 5 ILCS 140/3(e) (West 2022).

It is undisputed that the Village did not respond to Ms. Fisher's March 19, 2025, FOIA request within five business days after its receipt by either complying with her request, extending the time for its response pursuant to section 3(e) of FOIA, or denying the request in writing in whole or in part. The Village's failure to comply with the requisite response procedures violated section 3(d) of FOIA.

## FINDINGS AND CONCLUSIONS

After full examination and giving due consideration to the information submitted, the Public Access Counselor's review, and the applicable law, the Attorney General finds that:

1) After business hours on March 19, 2025, Ms. Lynette Fisher submitted a FOIA request to the Village seeking copies of certain records related to Village's budget, salaries, and payroll.

Ms. Lynette Fisher  
Ms. Karen Wingfield-Bond

Page 6

2) On April 8, 2025, Ms. Fisher completed the submission of her Request for Review to the Public Access Bureau alleging that the Village had failed to respond to her FOIA request. Ms. Fisher's Request for Review was timely filed and otherwise complies with the requirements of section 9.5(a) of FOIA (5 ILCS 140/9.5(a) (West 2023 Supp.)). Therefore, the Attorney General may properly issue a binding opinion with respect to this matter.

3) On April 15, 2025, the Public Access Bureau forwarded a copy of the Request for Review to the Village along with a letter asking whether the Village had received and responded to Ms. Fisher's FOIA request. On April 28, 2025, the Public Access Bureau sent the Village an e-mail following up on the April 15, 2025, letter, and asking for an update on the status of the Village's response. The Village did not respond to the April 15, 2025, letter or the April 28, 2025, e-mail.

4) On May 1, 2025, the Public Access Bureau sent an additional copy of the Request for Review and a second letter to the Village, via e-mail and United States Postal Mail, asking the Village to promptly respond to Ms. Fisher's request or notify this office if it had not received the request. The Village did not respond.

5) As of the date of the issuance of this binding opinion, this office has received no information indicating that the Village has responded to Ms. Fisher's March 19, 2025, FOIA request.

Therefore, it is the opinion of the Attorney General that the Village has violated section 3(d) of FOIA by failing, within the statutory time period for responding to Ms. Fisher's March 19, 2025, request, to provide copies of the requested records or to deny the request in writing in whole or in part. Accordingly, the Village is hereby directed to take immediate and appropriate action to comply with this opinion by providing Ms. Fisher with copies of all records responsive to her March 19, 2025, FOIA request, subject only to permissible redactions, if any, under section 7 of FOIA (5 ILCS 140/7 (West 2023 Supp.)), as amended by Public Acts 103-605, effective July 1, 2024; 103-865, effective January 1, 2025).<sup>14</sup> If the Village determines that any portion of the responsive records is exempt from disclosure under section 7, it is directed to issue a written denial that fully complies with the requirements of section 9(a) of FOIA (5 ILCS 140/9(a) (West 2022)).

This opinion shall be considered a final decision of an administrative agency for the purposes of administrative review under the Administrative Review Law. 735 ILCS 5/3-101 *et seq.* (West 2022). An aggrieved party may obtain judicial review of the decision by filing a complaint for administrative review with the Circuit Court of Cook County or Sangamon County

---

<sup>14</sup>Because the Village did not comply with the statutory requirements for responding to Ms. Fisher's FOIA request, the Village is precluded from treating the request as unduly burdensome or imposing copying fees for the responsive records. 5 ILCS 140/3(d) (West 2022).
