## **Old Business**

No old business was brought before the Board.

## **New Business**

### **Agenda item 1: FY27 Cellebrite-Renewal/Upgrades-Inseyets**

Eileen Pratt, PO stated that The Internet Crimes Against Children Bureau has submitted a request to renew eleven (11) Cellebrite Inseyets licenses, three (3) Cellebrite Digital Collector licenses, and two (2) Cellebrite Inspector licenses.

The Cellebrite Inseyets Online Pro package is used by law enforcement agencies and other national security organizations for various investigations involving the extraction, processing, and analyzing of digital evidence from mobile devices (cell phones, tablets, etc..) that would otherwise be inaccessible. The Inseyets Online Pro package will be utilized within the Springfield, Chicago, Lisle, and Carbondale Digital Forensic labs in support of the ICAC mission.

We will be renewing Cellebrite Inseyets licenses, Cellebrite Digital Collector licenses, and Cellebrite Inspector licenses through the Carahsoft-NASPO Cloud contract AR2472. The NASPO Cloud contract and Illinois' participatory Addendum to the contract are in effect until September 16, 2026. The term of these license renewals will begin on 6/30/27 and end 7/1/2026.

We will execute a purchase order with Carahsoft for \$121,447.36.

Maxwell Schmidt asked if there were any comments or questions regarding the documentation for this purchase.

No comments or questions were received from the Board.

### **Agenda item 2: FY27 Continuation of our Intergovernmental Agreement with PACER Service Center**

Eileen Pratt, PO stated that Library Services has requested that we continue our Intergovernmental Agreement with PACER Service Center for FY2027. PACER provides our office with monthly online access to electronic court records.

Our users are able to obtain case files and docket information from federal appellate, district and bankruptcy courts and the U.S. Party/Case index. PACER is used to access court docket information from multiple districts. In addition to accessing the information, PACER is now used to file court docket information in many districts. The anticipated expenditure for FY2027 is \$181,912.56. The term of this renewal is 7/1/26 through 6/30/27.

Maxwell Schmidt asked if there were any comments or questions regarding the documentation for this purchase.

No comments or questions were received from the Board.

**Agenda item 3: FY27 Renewal of ISP Dispatch Services and In-Person Training for Motorola Radios-Medicaid Fraud Unit**

Eileen Pratt, PO stated that approval is needed to proceed with the renewal of Illinois State Police (ISP) dispatch services and in-person training for Motorola radios used by the Medicaid Fraud Bureau.

The Medicaid Fraud Control Unit (MFCU) within the Office of the Attorney General relies on Motorola radios that operate on the ISP System, a statewide, digital, trunked land-mobile radio network. These radios are essential to the MFCU's law enforcement operations, enabling mission-critical communication during field activities.

We anticipate the continued need for ISP dispatch services to support all fifty (50) radios. The total cost is not to exceed \$105,375.00. The term for this renewal is July 1, 2026 – June 30, 2027. These services will be facilitated under an existing Intergovernmental Agreement between ISP and MFCU.

Maxwell Schmidt asked if there were any comments or questions regarding the documentation for this purchase.

No comments or questions were received from the Board.

**Public Comments**

Maxwell Schmidt asked if any members of the public were present at the telephonic meeting and wished to make a public comment. No public comments were received.

Maxwell Schmidt called for a motion to adjourn the meeting. Pam Blackorby so moved and Matt Rogina seconded the motion. A roll call vote of the Board members was taken, and "yes" votes were received from Pam Blackorby, Matt Rogina and Max Schmidt. The motion to adjourn passed unanimously.

The meeting adjourned at 2:14 p.m.
